Introduction

Welcome Dance and Drama students and family to the Decatur Park District Dance and Drama program. For many of you, this is a familiar return to the program and we are glad you are back! We are also excited to have a great group of new dancers and performers! 2018-19 welcomes us into our twelfth season of quality programming. It is our highest aspiration to provide our students and their families with a safe, fun program where they are encouraged to grow as artists and people, to gain skills and confidence, develop respect for themselves and others, and to learn what an appreciation for the performing arts and dance can do for their personal growth.

Our goal is to give each student the best possible education and provide students with performing opportunities throughout the Decatur Park District. Through these performing opportunities, students learn responsibility, teamwork, gain confidence and are rewarded with a sense of accomplishment.

The Dance & Drama curriculum is comprehensive and designed to give each student the best possible education. Technique and discipline are stressed throughout each and every class. The Dance Curriculum includes a vigorous and professional approach in the training of the dancer and focuses on fulfilling national and state standards in the fine arts. As teachers, we continually use various teaching methods designed to provide a "fun atmosphere" through the training. Building confidence in each student's abilities and instilling a sense of commitment to themselves and their peers are important aspects of the Decatur Park District's training.

Whether the student decides to make a long-term commitment to the Decatur Park District's Dance & Drama program or stays with us only for a year or so, the education provided is important to their overall growth and development. Each dance student is taught the proper techniques of movement fundamentals that will enhance their confidence as they pursue activities from routine walking and running to activities that require complicated movements. Each drama student is taught basic techniques of acting that will stimulate their imaginations and help develop self-confidence and self-esteem. We believe that the arts and the Cultural Arts programs we offer at the Decatur Park District enrich the students' life. Thank you for this opportunity to enlighten and liberate each student through our Dance & Drama Program.

Meet Our Cultural Arts Dance and Drama Staff

Marie Jagger-Taylor (Ms. Marie) is the Cultural Arts Manager for the Decatur Park District and a member of Actors Equity Association, Chicago National Association of Dance Masters, and a Certified Dance Educator. She is a past member of AFTRA and SAG. Prior to the Decatur Park District, Marie enjoyed being a professional actress/dancer choreographer and director. Marie has developed curricula and taught musical theatre and dance in various capacities for the past 33 years. She is an adjunct professor of dance at Millikin University (Decatur, IL) for 13 years and served as Director of Education for the Little Theatre on the Square (Sullivan, IL) for 10 years. She has been instrumental in building community interest and involvement in the arts, where she manages all of the Cultural Arts programming. Marie is the recipient of the 2011 Women of Excellence award for her work in the Cultural Arts, the Jennifer Song Community Spirit Award and the 2018 Tony Award Honorable Mention in Theatre Education Award, presented by the Tony Awards and Carnegie Mellon University.

Tami Robinson is the Cultural Arts Supervisor for the Decatur Park District. Tami served as instructor of dance at the Little Theatre on the Square and the Decatur Park District. Ms. Tami assists in various capacities to ensure quality programming in the Arts. She has always had a passion for arts and teaching, and at the Park District she has the opportunity to pursue both of her passions

Jen Petagno is the Cultural Arts Technical Supervisor, joining the staff May 2017. A 2014 Millikin University graduate with a degree in Technical Theatre, Jen's emphasis was in technical direction and scenic painting. While at Millikin, Jen was scenic artist for the Department of Agriculture State Fair Display and scenic designer for a production at the Station Theatre. At MU Jen served as Technical Director and Paint Charge for various MU productions. Since 2013, Jen has worked part time for the Park District in our Cultural Arts programs as a technician, scenic designer, scenic artist, and assisted with many special event and cultural art activities.

Alexis Brown has been dancing since she was 8 yrs old, most recently at ISU where she received her Bachelor's Degree in Recreation Management in 2017. Following graduation, she taught preschool – 8th grade dance at Holy Family Parish School in Peoria, Illinois. She joined the Park District dance faculty in January of 2018. “I absolutely love getting to know my students and share my passion for the art of dance with them. I am very excited to continue teaching in Decatur!

Cassidy Burroughs is a Millikin University theatre major, dancer and soccer player. She is from Greensboro, North Carolina and a former dancer at Break'N Out Dance Studio. She has taught at The Dance Center of Greensboro and is thrilled to be on staff at DPD.

Hyelim Cho began dancing, ballet, when she was 5 years old. She was involved with dance team through her high school years as performer and choreographer. While in college at Emory University in Atlanta, she started a dance team called “PersuAsian” (which now is “Persuasion”). The team still performs actively in Atlanta. Hyelim was also a backup dancer for many artists in Atlanta. After college, she returned home to Korea and worked at Defdance School, the biggest K-Pop dance academy in Korea, where she taught and choreographed for K-pop artists.

Michele Collingwood Graduated from University of Wisconsin Stevens Point with a Bachelor of Science in Dance Education. Performed at Six Flags Great America and Disneyworld. I really don't remember not dancing, since some of my earliest memories are at the studio since age 4 with Al Gilbert tap lessons. I love the process of teaching and the smiles on students faces when they finally get a step. I get great joy when children first skip and students have a bad day and feel better after they "dance it all away.

Megan Dickerson “Ms. Megan” returns to share her love and passion of dance with all of us! Ms. Megan served as the Cultural Arts Supervisor from 2008 – 2013 where she taught and supervised the dance program. She is currently the Multiple Line Representative at Al Schelling State Farm Agency where she is licensed to provide Auto, Home, Life, and Health Insurance needs. Ms. Megan is excited to return as an instructor for our students and looking forward to being part of the dance family!

Madeline Welch Morthland grew up dancing and is a 2014 alumna of the Decatur Park District Dance Program. A recent graduate of Millikin University, she danced for 2 years and performed with their hip-hop group Physical Graffiti. She begins her first year of teaching K – 2nd grade at Franklin Elementary working with social, emotional and behavioral disabilities and is thrilled to share her passion for dancing with all of us.

Morgen Mosley is a passionate artist that recently moved to Decatur, IL from Tulsa, Oklahoma. She graduated from the University of Oklahoma with a Bachelors of Fine Arts in Acting. She has acted on stage and in films, but her passion doesn't stop there. Trained in directing, special effects makeup, stage combat, and improv, she likes to use all her knowledge and experience to impact the community around her and to inspire others to reach for their dreams.

Sarah Pierce, a native of Decatur, began her dance training at the age of five in Decatur through her 7th grade year. She then continued her dance training through high school with the Twin Cities School of Dance in Bloomington with Alexander Bennett of the Royal Scottish Ballet. While attending Millikin Sarah completed her degree in English Writing with a minor in dance. During Millikin, she taught dance in various capacities and is excited to return and share her ballet background with the Decatur Park District.

Your Role

We need your help to ensure that your child's learning experience at the studio is positive; we maintain an open door of communication with all parents and encourage parents to communicate with us any concerns they may have. The arts are a valuable part of your child's overall education. Please take an interest in your child's class or classes:

1. Make class a priority. Please do not permit your student to arrive late or leave early.
2. Have students to class 5 minutes early so they are prepared.
3. Attend the Parent/Family Observation Days. These are held once a semester during class time, 2018 observation will be held October 22 – 25 and 2019 observation will be the week of March 4 -7.
4. Encourage your student to set up a weekly practice schedule even if it is only for 15 minutes a day. Ask them to show you any new steps they have learned. Watch your dancer practice. A student will not excel in the classroom if they do not do their homework, and the same is true in dance if they do not practice.
5. Communicate with your instructor: If your child is ill or you know that they are going to miss a class please speak with the instructor or call Ms. Marie; this way we can arrange for a make-up class.
6. Ballet III, IV and V is to have a copy of *Gail Grants Technical Manual and Dictionary of Classical Ballet*. They can be purchased at Grace's in Decatur or from Amazon.com
7. Please review the guidelines of this handbook with your student.
8. Classes are closed

Your child is in safe hands with our staff. We encourage you to drop off your student and use their class time for yourself! However, if you would like to wait for your child, there is a small waiting area. This waiting area is for the convenience of our students and parents/guardians or siblings. Observation is not allowed in the studio while classes are in session with the exception of our Parent/Family observation days. Please be respectful of others and the classes in sessions while in these areas. Quiet conversation is welcome. An adult must supervise siblings of students at all times. Running and misbehavior through the hallways will not be tolerated. The Decatur Park District is not responsible for items that are lost or stolen.

The Students Role

All students are expected to follow these guidelines:

- Please do not bring gum, food or drinks into the studio.
- Please dispose of any trash into trash receptacles.
- Please remain quiet in the waiting room until your class begins.
- Please be respectful of yourself, your classmates and your instructor.
- Listen and do your best! Remember, you are here to learn.
- Never say "I Can't"

Observation

Parents, friends and relatives are invited to Observation Days; October 22 - 25 & March 4 - 7 during regular class time. Cameras can be brought to the Observation Day. Because visitors distract the dancers and hinder their ability to learn Class observation is only allowed on these dates (unless the instructor gives permission). It's not unusual for young dancers to be scared on Observation Days. Some will want to cling to their parents, some will sit in the corner and others will entertain the crowd. All of these behaviors are normal and are expected. Instructors will not force your student to dance. It is important that they have a positive feeling about class.

Attendance- PLEASE READ

To reach full potential in class, a student must attend on a consistent basis. We expect regular attendance from all our students. If a student must miss a class please call Marie Jagger-Taylor at 217-421-6648 x 1. If you know in advance that your student will miss two or more consecutive classes, please contact his or her instructor. **Students who accrue more than 3 unexcused classes may be moved into another class or dismissed from the recital piece.** Poor class attendance can result in dismissal from the dance recital routine. There are no refunds for classes missed. Please arrive 5-10 minutes early to each class. This will give you time to get your shoes on and use the restroom if needed. **Tuition is not refundable or transferable except in the instance of long-term illness or injury verified by a physician.**

Inclement Weather

You will receive an e-mail notification and/or a phone call/text if classes are cancelled due to bad weather, etc. We will make every attempt to cancel a class prior to 4:00 p.m. but since weather is unpredictable, please check your e-mail prior to class for the latest update. We also have a cancellation notification on our Facebook Page (Arts At Decatur Park District)

Communication

Please know email is the main source of communication for us but you can always check out our website at www.decaturn-parks.org or call the Poage Arts and Recreation Center at 421-6648. If you do not have e-mail please let us know and we will make sure information is sent to your home. Recital

Dance Recitals will be held at the Decatur Civic Center on May 10 at 7 pm and May 11 at 11 am and 5 pm. You will receive a dance recital packet at during the March Observation Week. This packet will give you all the important dates and information for the Spring Recital. Students must attend the dress rehearsal in order to participate in the recital. All accounts must be up to date by April 15th. Households with balances due will not be allowed to perform in the Recital. Attendance is always very important but especially in the 2nd semester when teachers are working on routines. **Beginning in January 2019, if a student accumulates three (3) or more absences their performance in the recital routine may be limited.** Costumes are ordered at the beginning of December. Once a costume is ordered for your student you are liable for the balance due on the costume. Please notify Ms. Marie by November 30th if your student chooses not to participate in the Dance Recital, otherwise you will be billed for a costume.

Senior Spotlights are recognition of the commitment a high school senior has made to the study of dance. Seniors are responsible for costuming, choreography and music selection & all must be approved by Ms. Marie. Decatur Park District is not responsible for ordering costumes. **Submissions for Senior Solos are due no later than December 15th.**

Discipline Procedures

Discipline is essential to learning; occasionally we may have a disciplinary problem with a dancer. Almost always a word or two from the instructors takes care of the inappropriate behavior. When verbal comments have not stopped the misbehavior, the following disciplinary actions are in place to provide the framework for the instructors to deal with this inappropriate behavior. A positive approach will be used regarding discipline. Staff will periodically review rules with participants. If inappropriate behavior occurs, prompt resolution will be sought specific to each individual situation. The Park District reserves the right to dismiss a participant whose behavior endangers the safety of the instructor or participants or negatively impacts the recreational experience of other participants. If your child needs a special accommodation for the dance program, please contact Marie Jagger-Taylor.

Basic disciplinary action includes:

Verbal warning(s) and/ or supervised time-out (1-10 min) from the program, should the behavior persist, a written conduct report will be completed and the parent will be contacted by the instructor to discuss the situation and ask for assistance in helping the child become successful. The program supervisor will be apprised by the instructor of any consistent inappropriate behavior in the class. The supervisor may observe the class and/or speak to the parent. Suspensions from the program can be authorized by the Cultural Arts Supervisor or Cultural Arts Manager for a designated period of time; Dismissal from the program can be authorized by the Cultural Arts Manager. If inappropriate behavior persists or the behavior completely disrupts a program, removal from the activity may be necessary.

Safety and Security

The following rules are of extreme importance and we strongly urge Parent(s) and/or Guardian(s) to discuss them with their Dancer(s) and/or Actor(s) and make certain that they are fully understood,

1. Please inform the teacher if your student will be walking, riding a bike, etc. to and from their class. (A note from the Parent(s)/Guardian(s) at the beginning of the year would be helpful.)
2. All students must stay in the building after class until their transportation arrives. Parents must be prompt when picking up students. We cannot be responsible for students unless they are participating in class due to class schedules.
3. Absolutely no food, gum or drinks are allowed in the Studio. Only plastic water bottles with lids will be allowed in the studio.

Dress Code

Dancers are expected to adhere to the dancewear requirements listed in this manual. Attire is part of the discipline of dance and assists the instructor in observing the dancer's form and technique. All Dance Students must have their hair pulled away from their face and secured in place. It is necessary for every student to strictly adhere to the dress code. Students dressed inappropriately may be asked to observe class.

All students in Advanced and Level IV and above classes are encouraged to have a dance bag with the following items: Appropriate dance shoes, comb or brush, bobby pins, barrettes, rubber bands or hair bands, notebook and a pen or pencil. All Ballet Students need their Ballet Dictionary.

Please label all dancewear and shoes with the dancer's name. We find many lost shoes with no name and have no way of finding their owners.

Moving from one level to the next is determined by the Decatur Park District staff. It is based on age, ability, attendance and attitude. We respect your concerns in regard to your children, but our staff works together diligently placing the students where we feel they are best suited. Most dance levels are multi-year, meaning a student may spend 1, 2 or more years in a level until that student has attained the necessary skills to move to the next level. The purpose of this is to ensure that the students are participating in classes that are best suited for them. Just as in any activity, some children develop their dance skills at a faster rate, while others need to take their time. It is important to remember that it takes years to train a dancer, and even professional performers and teachers continue their education and take classes throughout their careers.
