DECATUR WOMEN'S GOLF ASSOCIATION

The Decatur Women's Golf Association (DWGA) represents the interests of women golfers throughout the Decatur area. Our goal is to help promote women's golf and to provide several special events to unite women golfers in the area. Besides supporting the efforts of the various leagues in the city, some special events that are co-sponsored with the Decatur Park District and several other traditional events organized each year, the DWGA sponsors two special events, the Spring Fling and the Marilyn Dechert Decatur Area Women's Open.

Share the information below with a friend and join us for a summer of fun with Decatur women golfers!

League Play

Three 9 hole leagues and five 18 hole leagues/groups are available at Hickory Point and Red Tail Run, as well as South Side CC and Country Club of Decatur. Check with the pros at the various courses for more information. In all cases, the leagues are pretty flexible and you play when it is convenient for you. League fees go toward end-of-year tallies of gross scores, net scores, and special "plays of the day" (low putts, low net minus putts, scores on odd numbered holes, etc.) which change each week. Everyone has a chance to score points each week. New players are always welcome!

Women's 4-Player Team Scramble

May 10 at Hickory Point. Call your friends and organize your own team. The pros handicap the results, so that the teams are equalized. Prizes to the top 3-4 teams. \$10 fee goes toward prizes.

Spring Fling

June 7 at Red Tail Run. Meet women from across the city in this 4-person scramble, 18 hole format. Teams are assigned in an ABCD scoring level, so teams are equalized in abilities. This is a fun outing with a great lunch following! Raffle prizes are offered. \$35 entry fee goes toward awards and lunch.

Marilyn Dechert Decatur Area Women's Open

Join us for the 95th DAWO, a two day tournament with 18 hole (\$40) and 9 hole (\$20) divisions on Tuesday, July 16 at Hickory Point (Red Tees) and Thursday, July 18 at Red Tail Run. The tournament will be pre-flighted by handicap. An overall champion will be determined by gross scores and each flight will have a gross score winner, followed by places determined by net scores. All golfers win prize money. Lite lunch and snacks are served at the tourney's end with an awards ceremony to follow. Entry fees go toward prizes and provided food.

Women's 2-player Team Scramble

August 16 at Red Tail Run. Choose your partner and find another twosome to make up your foursome. The scramble is handicapped, so everyone has a chance to win. Prizes to the top 3-4 teams. Semi-shotgun start. \$10 entry fee goes toward prizes.

Joan Kenny Draw Event

September 20 at Red Tail. Foursomes are drawn to ensure parity of teams. Format TBD. A lot of fun at the end of the season! \$10 fee goes toward prizes.

The Witch

October 16 at Hickory Point. Our end-of-the-season finale. Find a partner and choose two others to make up your foursome. Handicapped. Dress up in your best Halloween costume! Enjoy the creative decorations and special pin placements designed by the Hickory Point grounds crew. Always a lot of fun. \$20 fee goes toward team prizes and lunch.

3 Club Challenge

June 10 at Hickory Point, July 11 at Country Club of Decatur, and August 8 at South Side Country Club. Decatur's own Solheim Cup-style tournament that pits the 8 best golfers from the Decatur Park District, South Side Country Club, and the Country Club of Decatur. Players are chosen by handicap and availability. A special format will be determined for each contest. Come out and cheer on your favorite team in the spirit of the Ryder and Solheim Cups played on the professional level. Who has the best team this year?

Establish a Handicap

Establish an official Chicago District Golf Association (CDGA) handicap for \$50 at any of the Decatur Park District courses. Use the CDGA app to post scores and check your handicap status. Handicaps are required for 18 hole leagues and the Decatur Area Women's Open. For special events, if you do not have a handicap, pros will figure one based on 5 scores.
