

Thank You!

Thank you for joining the Cultural Arts Support Team (C.A.S.T.) at the Decatur Park District!

Your gift will help bridge the gap between revenue and operating expenses, safeguarding the arts at Decatur Park District.

The Decatur Park District's vibrant cultural arts offerings include free concerts and movies in the park, educational classes and camps for all ages, as well as performance opportunities for ages preschool to adult.

Your valued contribution will help support the Park District's excellent dance, drama and music programs, provide a stable home for our cultural arts programming at the Poage Arts & Recreation Center, and enhance educational programming for both children and adults.

The arts make an invaluable and unique contribution to our community and to the enrichment of the lives of all. With your help, we can continue to enhance the cultural climate of our city with an amazing C.A.S.T.
